Sermon Title: Encounters with the Living God

Scripture: Isaiah 6:1a "In the year that King Uzziah dies, I saw the Lord..."

"The Bible is less a book about theology (study of God) and more about theophanies (encounters with the Living God)." - Millard Reed

How can I experience God because even though He wants me to see Him I can't manipulate Him or manipulate a vision or experience with Him?

The answer to how to experience God:

the "lowercase k king" must die:

- It's not always a bad thing that obscures my view of God.
- I need God more than I need what He can do for me.
- I can't depend of past visions/encounters.

* Don't forget to join a small group today! Learn more at www.firstnaz.org/smallgroups

* Join the choir & enjoy MNU's guest conductor Oct.1 for the song, "Here I Am, Lord"
