A New Day **101**

Building a Future from the Lessons of the Past

This class welcomes anyone age 20 and up who is wanting to grow beyond the hurts, hangups and habits that seem to keep them from experiencing daily joy and true freedom in Christ. Our weekly sessions combine individual workbook study and a supportive group environment for adults who seek healing from the brokenness of damaged emotions.

GOT SPIRITUAL OR EMOTIONAL BAGGAGE?

Check it at the door and join us for an overview of the course and the workbook we'll be using in our study,

The Twelve Steps: A Spiritual Journey

This might be the hope you've been praying for.
