## Clean Water 5K

April 4, 2020.

You're invited to be a part of the third annual Wichita Clean Water 5K on Saturday April 4, 2020. The race this year will be a little different because of COVID19 restrictions. We invite registrants to run or walk a 5K on their own and post pictures with the hashtag #CleanWater5K2020. Serious runners, casual runners, walkers, kids, and ALL are welcome! Your entire registration fee goes toward building borehole wells and providing clean water education to villages in Malawi, east Africa. Last year's race brought wells to three villages! Registrants will receive an awesome t-shirt and an opportunity to bring life transformation to some folks in Malawi. Register at [cleanwater5k.com](http://cleanwater5k.com). For information contact Peggy Hephner, [phephner@gmail.com](mailto:phephner@gmail.com).

Watch us live streaming at [www.firstnaz.org/live](http://www.firstnaz.org/live) or on Facebook LIVE Sunday mornings at 10:45am.
